LOCATION

Leaside Memorial Gardens
William Lea Room
1073 Millwood Road. Toronto (see map below)

This year's Annual Spring Meeting will feature updates from our President and Executive Director plus a presentation from our special guest, Ontario Environmental Commissioner, **Gord Miller**.

Commissioner Miller has recently released two reports to the Ontario Legislature. His Annual Report: "Engaging Solutions" and a Special Report: "Biodiversity – A Nation's Commitment, an Obligation for Ontario."

We have asked him to present key points from his Reports that relate to issues that affect our precious Georgian Bay.

In addition to the presentations there will be the opportunity to ask questions. So please come prepared with questions for our Directors and our special guest.
